

## Privacy Policy

Thank you for visiting Corrpro Companies, Inc. website. We at Corrpro are sensitive to the issue of privacy and confidentiality necessary in online activity. We are committed to protecting your individual privacy. This Online Privacy Statement is intended to inform you of our policies regarding the protection of your information.

When you visit our website, certain non-personal information is automatically sent to us by your browser, such as the internet protocol address of the computer you are using. We collect this information through the use of “cookies” and “web beacons” in order to better understand how visitors use our site. No personal information, including your personal e-mail address, can be collected by cookies or web beacons.

We only collect personal information if you choose to provide it. You may choose to do so by registering on our site for the use of our product design guide tools, to request certain investor information or to access our webcast services, to inquire about career opportunities or to contact us through our site for other information. Any personal information you choose to provide will not be disclosed to third parties.

Our website contains links to other websites, including those of certain of our international subsidiaries and to relevant industry organizations and associations. We provide these links for your convenience only. If you visit any linked websites, you should review the privacy notices for those sites. We are not responsible for any use of these linked sites, the content of these sites or the products or services that may be offered through these sites.

We may update this Online Privacy Statement at any time and without prior notice to you. Please review our Online Privacy Statement from time to time so you are aware of any changes or updates to this notice.
